

# Leading Scorers: Presidential Support

Support indicates those who voted in 2011 most often for President Obama's position, when it was clearly known. Opposition shows those who voted most often against his position. Lawmakers who left office or who missed half or more of the votes are not listed. Scores are reported here to one decimal point only; members with identical scores are listed alphabetically. (Complete scores, pp. 108, 110)
